How will your business benefit

Never run out of stamps postage can be purchased over the phone and loaded directly into PersonalPost using its internal modem. This is called postage by phone and the process only takes 30 seconds. The days of queuing for and running out of stamps are gone saving you time and money.

Advertise on your mail PersonalPost can attract attention to your company by digitally printing advertising messages along with the postage. There are 7 pre-loaded messages **FREE** and for a minimal charge you can design your own. Instantly your company will look bigger better and more importantly professional.

Exact Postage (only with 2kg interfaced electronic scale) – PersonalPost can handle thicker envelopes packets and parcels. The electronic scale tells you the exact weight and then works out the correct postage. Attaching extra stamps to “make certain it gets there” is a thing of the past, saving you money.

Specifically for smaller offices – stylish and compact, it is designed with the smaller office in mind.

Easy to use and install – using the “Quick Install” directions there is no need for an engineer, you can set it up yourself. PersonalPost is extremely simple to use.

Inbuilt Security – Your unique PIN means only the post you want sent gets sent.

Increased convenience – The whole concept of PersonalPost is designed to make office admin more convenient, enabling you to concentrate on more important business issues.
