Optimise efficiency. Ensure quality.

Compact, quiet and easy to use

Growing businesses count on innovative productivity tools to keep their offices running smoothly. Neopost's IN-360 professional franking system makes it simple to weigh, frank and send your mail.

Easy to operate, the highly capable IN-360 with whisper-quiet operation is designed to integrate smoothly into your office environment and process mail efficiently.

With its state-of-the-art technology and **myneopost** online services you can be sure to have the best solution to meet your demanding needs.

Smart and user-friendly

Powerful envelope feeding

Space saving weighing platform

Whisper-quiet operation

Myneopost online services

Give the right impression

Promote customer relations with printed slogans that enhance the professional image of your organisation. Select advertising slogans to reinforce the communication to your customers.

Pricing your mail has never been easier

Don't be confused by postal rates. Let the IN-360's Rate Wizard give you a hand so you don't have to be a postal expert. Whichever rate you need, the IN-360 will figure it out.

Save even more time by eliminating keystrokes when you select the mail class you need from the rate shortcuts menu. From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

Complete your NEOPOST Mailing Solution with our new Business Apps and start managing your Mailing & Reporting from one centralised interface!

Take control of your postage expenses with NeoStats.

With flexible reporting at your fingertips, monitoring and controlling postage expenses has never been easier.

- **Save time** and **eliminate errors** often seen with manual postage reconciliation;
- Create **spreadsheets** and **colourful graphs** in minutes;
- Track mail expenses and recoup costs through chargeback.

With **NeoSlogan**, improve the impact of your mailpiece using one of the Free of charge library images

Choose from a collection of NEOPOST slogans

Designing the Most Ecological Solutions

The **IN-360** carries the Neopost eco-label – proof of our commitment to eco-design our products.

- Our optimised packaging* is 100% cardboard and recyclable
- The IN-360 complies with the latest EnergyStar® Standard using **3.1W** on sleep mode**

- Our products are at least 74% recyclable

* Volume of packaging/Volume of product is around 2,3

** Total energy consumption is 21kWh/year

The Compact and Easy-to-Use Mailing System

3. Large Feeding Platform
Versatility

2. Shortcut Keys
Straightforward

1. Integrated or External Weighing Platform
Accurate and Flexible Weighing

4. High Speed Connection
Connectivity

1. Accurate and Flexible Weighing

Reliability at its best with this large integrated weighing platform. If you need to process heavy parcels up to 30 kg, the external weighing platform is made for you.

3. Versatility

All sizes of envelopes are handled with this enhanced platform. You can also process labels if you need to send parcels or thick envelopes.

2. Straightforward

Shortcut keys help you speed your mail processing for maximum ease-of-use.

4. Connectivity

Connect with high speed LAN and get the latest postal rates, software updates, ink alerts & remote diagnostics.

Customers have also chosen DS-35 with the IN-360

With Neopost's DS-35 folder inserter, manual folding, inserting and sealing mail can now be done in minutes, instead of hours. This will mean you'll have more time to do all the other things that need to be accomplished in your office.

We've Got You Covered

Neopost customer support is there for you with our contact centre and trained technicians who are ready to assist you. We are dedicated to providing you

with world class customer satisfaction and we offer automatic diagnostics with our product line.

By uploading systems data, we will be alerted if you are having trouble. This remote access to your system allows us to analyse the situation remotely and then fix it accordingly.

Why Choose Neopost?

Neopost is a global leader in mailing solutions, shipping services and digital communications. We believe that people are the key to business success. That's why our products and services are tailored to help your organisation improve the quality of its interactions and bring people closer together.

In this age of multichannel communications, we guide and empower you to interact in new and innovative ways. We advise you on how to create cost-cutting synergies. And we deliver global coverage with a strong local presence, offering you continual support by phone, onsite or online.

Today, Neopost is present in 31 countries and has a network of partners in more than 90 countries. We promote responsible business and sustainable development through our products and outreach programs. And our 6,200 employees worldwide are committed to making your interactions more responsive and more powerful - offering you a competitive edge that will open up a wealth of business opportunities.
